Activities

During your stay our experienced instructors can provide high quality activity sessions tailor made for your needs.

We offer a giant tree and crate climb, archery and team building onsite and can offer many other activities within the local area. If you want to learn a new activity, develop your skills in a particular activity or just enjoy a fun session with friends we can deliver these or recommend a local provider.

Your Safety

Your safety is our prime concern...

Many of our activities are over seen by the Adventure Activities Licensing Service (AALS). The authority annually inspects our provision of activities and equipment, and checks the safety management systems. The license demonstrates compliance with nationally accepted standards of good practice in the delivery of adventure activities.
