NOTICE OF INITIATION OF DEVELOPMENT

The Planning etc. (Scotland) Act 2006
The Town and Country Planning (Development Management
Procedure (Scotland) Regulations 2008

A person who has been granted planning permission (including planning permission in principle) and intends to start development must, once they have decided the date they will start work on the development, inform the planning authority of that date as soon as is practicable and, in any case, before the development commences. This ensures that the planning authority is aware that development is underway, and can follow up on any suspensive conditions attached to a planning permission. Failure to do so will be a breach of planning control under section 123(1) of the Planning (Scotland) Act. 1997

Before any work starts on site please complete the form below and return it to:
