

Provision of Malicious Software Protection System

Contract Title	Contract Period	Estimated Contract Value	Closing Date for Applications
Provision of Malicious Software Protection System	3 yrs with a possible 2 yrs extension	C 100k	7 th Jan 2009

Contract Title: Provision of a malicious software protection system.

Contract Reference: /

Contract Coverage: Perth and Kinross Council

Perth & Kinross Council is a forward looking local authority which enjoys positive working relationships with independent suppliers. We would like to invite tenders for a Malicious Software Protection System from established and experienced providers that can demonstrate a commitment to delivering high quality products and services, customer care and best value

The contract will be for a period of three years with the option to extend for a further two years. The contract will be awarded on the basis of the most advantageous tender taking into account cost, quality and the ability to meet the specification. Account will also be taken of financial standing, technical expertise and customer references.

Interested parties can obtain tender documentation by contacting
