

Cardboard

Recycling for your business

Everything here

can be recycled here

Why should your business recycle cardboard?

Many businesses find cardboard a bulky material that makes up a large proportion of the waste that they produce.

Recycling your cardboard:

- Does not incur landfill tax so can save your business money
- Saves resources: recycling 1 tonne of cardboard can save up to 17 trees
- Reduces the need for landfill

What types of cardboard can be recycled?

You can recycle all types of flat and corrugated cardboard including cardboard boxes, cardboard tubes and cereal/food packaging boxes. Please do not recycle cardboard which is contaminated with food and please remove plastic packaging.

Recycling options for business cardboard

Cardboard can be collected in the following ways to suit your business:

- You can purchase green labels in a pack of 50 and each label can be used for up to 10 flattened boxes placed in a secure manageable bundle at the kerbside
- Alternatively your flattened cardboard can be collected in a range of different sized lockable containers
