

General Information

Contract Title	Contract Period	Estimated Contract Value	Closing Date for Applications
----------------	-----------------	--------------------------	-------------------------------

Inchyra Road Diversion	12 WEEKS	£800,000	19th June 2009
------------------------	----------	----------	----------------

Contract Title : **Inchyra Road Diversion**
Contract Reference ; **3.4.5**
Contract Coverage : **Perth and Kinross Council**

The proposed works are located about 8km east of Perth. Construction of the diversion road to the south of the Perth to Dundee Railway will allow the closure of the Inchyra Road level crossing and the junction with the A90. It will directly link Inchyra to St Madoes to the east.

The Works include the construction of 1100 metres of 4m wide single carriageway with passing places, associated drainage, earthworks, protection of utilities and a pre-cast concrete culvert.

It is hoped that Contract Documents will be issued in July 2009 and it is anticipated that tenders will be invited, based on a priced Bill of Quantities. The planned start date for the Works is October 2009.

Contract award will be based on the most economically advantageous terms for the Council and the criteria for evaluation will be clearly detailed within the tender documentation.

Please note that Contractors wishing to be considered must be registered with Constructionline or equivalent.

Contractors who wish to request the issue of pre-qualification documents are asked to contact:
