

## Lets Application Categories & Charges

For all events held within Perth & Kinross Council's parks and open spaces there is a standard per-operating-day charge structure (Table 1). The listed figures are only guidelines as they are subject to an annual review in April. They are also dependant on whether the event is run for commercial purposes or not-for-profit. For the current standard rate of let and further information, please call the Environment Service Helpline on 01738 475000.

**Table 1:** Parks Lets Charges 2010/11

### Definitions:

- Commercial Rate - Individuals or Commercial Groups/Organisations who are profit making.
- Non Commercial Rate – An organisation or charity, which solely operates for non-profit purposes and does not distribute or otherwise make available for the personal benefit of any member any of its income.

### Please note:

1. Organisers of free events in Council parks and open spaces and/or which are organised by non-commercial organisations for the benefit of the local community or charitable purposes will not be charged for the hire of a park or green space. This is at the discretion of the Executive Director of the Environment Service.
2. Any additional costs incurred as a consequence of a hire will be recharged at cost plus a 10% administration fee.
3. Occupation of a park prior to or after a pre-agreed period of let will incur the operation day charge.
