Company

Perth & Kinross Council/Partnership

Aims

- Increase participant's knowledge of the contact and process of Child Protection issues within Education and Children's Services.
- Broaden understanding of abuse and neglect indicators and how to respond to concerns raised by a child or young people or by others.
- Increase participant's knowledge of the roles and responsibilities of a Designated Child Protection Officer.

Outcomes

- Awareness of what is considered to be abuse and/or neglect of children and young people.
- Familiarisation with the Child Protection Policy and Procedure and response when concerned or when someone approaches with concerns.
- Familiarisation with the roles and responsibilities of a Designated Child Protection Officer within their establishment.
