"...letting our children play..."

Patron: Donald Maxwell

March 2012

Dear Parents/Guardians,

The Perth and Kinross Music Foundation is a registered charity and aims to financially support young musicians who attend school in Perth and Kinross. If you are on low income and in receipt of Working Tax Credits or have very exceptional circumstances we may be able to provide some financial assistance to you.

If you wish to apply for financial assistance with Tuition and Central Group Fees for 2012 -13, please submit letter of application to the Secretary of the Foundation (address below). The Foundation will consider all applications sympathetically and will treat each case individually and confidentially.

Please apply in writing, by September 2012, with photocopied evidence of any Working Tax Credit, Child Tax Credit or any other awards or income, to the Foundation Secretary stating what assistance you need – e.g. Tuition Fees and/or Central Groups. Please also advise your child's name, school and instrument.

The Foundation are currently in the process of contacting present, and potential, sponsors and supporters to raise funds for the academic year 2012-13. Please be advised that decisions regarding assistance may have to be delayed until later in the academic year. Meantime, if you have submitted an application for assistance to us and you receive an invoice from Perth and Kinross Council, please let the Council know that you have written to us and are awaiting a decision. You may choose to make arrangements with the Council for payment of Fees. If you are then awarded assistance, any payments you have made will be refunded up to the amount of assistance awarded.

Also, please be advised that a new application must be made to the Foundation each academic year.

Yours sincerely

Sheila Herron
