Presenter

Educational Psychology Service

Company

Perth & Kinross Council

Aims

- Give an understanding of attachment theory and its impact on learning and behaviour.
- Introduce resilience as a key to children's wellbeing and explore ways of enhancing resilience.

Outcomes

- Enhanced understanding of the effects of early attachment on children and young people.
- Enhanced understanding of how to support children and young people to become more resilient.
- Ability to view and respond to the behaviour of children and young people from an attachment and resilience perspective.
