WINTER CANCELLATION PROCEDURES

- No games will be played when ground conditions are considered unsuitable.
- Teams should use common sense and decide if the pitch is playable. The conditions of the pitch should be in the team's best interest if they wish to continue playing there for a full season.
- A Council representative will monitor the pitches throughout the winter to ensure they are not being misused. If this is the case, teams will be contacted and advised to stop playing for a short while.
- The home team will be responsible for ensuring that all litter resulting from matches is collected and disposed of safely – the Council Litter Officers will monitor this.
