

PERTH AND KINROSS LICENSING BOARD

SUPPLEMENTARY LICENSING POLICY STATEMENT

Under the Licensing (Scotland) Act 2005, Section 6 Perth and Kinross Licensing Board has adopted a Supplementary Licensing Policy Statement as follows:-

Amend Paragraph 12.1 of the Board's Policy Statement as follows:-

- 12.1 During the hours of 11 am to 7 pm, 7 days per week alcohol may be sold and consumed on its own in the outside seating area of those premises incorporating pavement cafes provided substantial food is also available to patrons for consumption, including within the outdoor seating area, during those hours. Outwith those hours, the provision of alcohol shall be ancillary to the provision of food in the outside seating area. The Board considers that food provided should be substantial (not including crisps or nuts on their own). Applicants should provide information about what range of food they will be providing in the outside area to enable the Board to fully consider their application.

Delete existing Paragraph 12.3 and insert instead:-

- 12.3 Following the change in Policy 12.1 above, premises licence holders can operate their licensed pavement café areas in accordance with Policy 12.1 above until 31 May 2011. Provided a premises licence holder has submitted a valid and complete premises licence variation application seeking to vary their licence to comply with Policy 12.1 by 31 May 2011, that licence holder may continue to operate in accordance with Policy 12.1 until such time as their variation application is determined by the Board.
