

Commercial Waste Collections for your business

Everything that cannot be reused
or recycled can go in here

Why should you choose Perth & Kinross Council for waste disposal?

Perth & Kinross Council operates a long established network from localised depots, offering a reliable and responsive service for every area of Perth & Kinross. With a locally based specialist fleet of vehicles, Perth & Kinross Council offer a practical and cost effective commercial waste service.

Support and advice from a dedicated team of waste officers can help you to manage your waste in the best possible way.

Perth & Kinross Council is committed to helping businesses recycle more materials more often by providing collection services for cardboard, glass, green waste, paper and polythene.

What waste can your business dispose of?

Commercial waste collections are for waste that cannot easily be reused or recycled. All types of waste that is not classified as hazardous waste can be disposed of using the commercial waste service.

If your business produces hazardous waste and you would like more information on how to deal with it correctly and responsibly please contact the Commercial Waste Team on ☎ 01738 476476

How can you dispose of your business waste?

A range of waste containers is available to suit the volume and type of waste that your business produces and at the same time take into account the space requirements that you have. This includes wheeled bins of various sizes, labels and trade waste sacks.

A waste officer will be able to advise you on the container that will be most suitable for your needs.
