

The Community

We are committed to ensuring that schools take active steps to engage with the local community to ensure:

- the community is actively involved with the school
- the school works closely with community organisations and partner agencies to support children and families
- the school works with partners to assess learners' needs, broaden their experiences or provide support to reduce barriers to learning
- there is a high level of engagement with individuals, families and community groups in school activities and in making decisions which affect the community
- the community perceives that the school takes account of its views
- partner agencies and statutory organisations indicate that the school has effective partnership arrangements which enrich provision.

Setting the Standard: Working Together

PERTH & KINROSS COUNCIL

Education & Children's Services

Our vision in Perth and Kinross is for all learners to achieve to their fullest potential. We want all our children and young people to become responsible citizens, successful learners, effective contributors and confident individuals.

We believe that we can achieve our vision by setting the standard to which we expect all to aspire. This guide sets out the Perth and Kinross standard for working together with learners, parents, carers, staff and the community. It is set within the context of the Education and Children's Services Policy Statement for Communication and Consultation.

Achieving Excellence Together

Learners

We are committed to ensuring that all learners are:

- successful, confident and responsible
- safe, nurtured, healthy, achieving, active, included, respected and responsible
- valued and treated with equality, fairness and respect
- motivated and actively involved in their own learning and development
- demonstrate increasing skills as learners
- given high-quality feedback on their progress and strengths
- responsible and contribute actively to the school community, and to society more generally
- enabled to make very good progress from their prior levels of attainment and wider achievement
- consulted and their views sought and acted upon
- able to have their views represented through a pupil council.

Parents and Carers

We are committed to ensuring that parents and carers:

- are supported and encouraged to play an important part in children's learning and development
- contribute to key aspects of children's education, development, safety and health
- participate in relevant meetings and school events
- are happy with the quality of education provided
- are given clear reports and prompt and helpful responses to their views and enquiries
- engage with schools with confidence
- are consulted and have their views sought and acted upon
- are involved in discussions and encouraged to contribute to school improvement
- are able to have their views represented through a parent council.

Staff

We are committed to ensuring that staff:

- are valued, consulted and supported
- understand what is involved in providing high-quality education for learners
- are motivated, and meaningfully involved in improving the quality of the school
- readily engage in continuing professional development
- contribute effectively to the life of the school and work together in teams within schools and with partner agencies
- influence how the school improves the quality of its work
- are enabled to provide a high-quality education
- are able to have their views represented through an effective staff consultative committee.
