## **1 Who can use it?**

Just like an ordinary local bus service, it is available to all members of the public for any eligible journey.

The scheme will not convey school pupils whose journey purpose relates to attending Kinross High School, Dollar Academy or any local primary school at normal school start and finish times, including journeys feeding into existing school buses. The scheme will also not convey pupils or staff as part of an organised school trip.

It is generally expected that no more than one return trip per day is taken by a passenger.

## **2 How do I book it?**

Phone the taxi operator at least 24 hours prior to your journey (every effort will be made to accommodate passengers making bookings at shorter notice).

You will need to state when you want to travel, where you are going to and from, journey purpose and a contact phone number.

If you have a fixed appointment you can book your journey up to four weeks in advance of the date of travel.

All journeys required for young people under 16 years of age must be booked by their parent/carer. All children under the age of 12 must be accompanied by an adult for the whole journey.

## **3 Where can I use the Service?**

DRT1 will operate between any two points within the Service area - see map on centre pages.

DRT1 is also available between a single point within the Service area and any safe stopping point in Dollar, Kinross and Milnathort.

## **4 When is the Service available?**

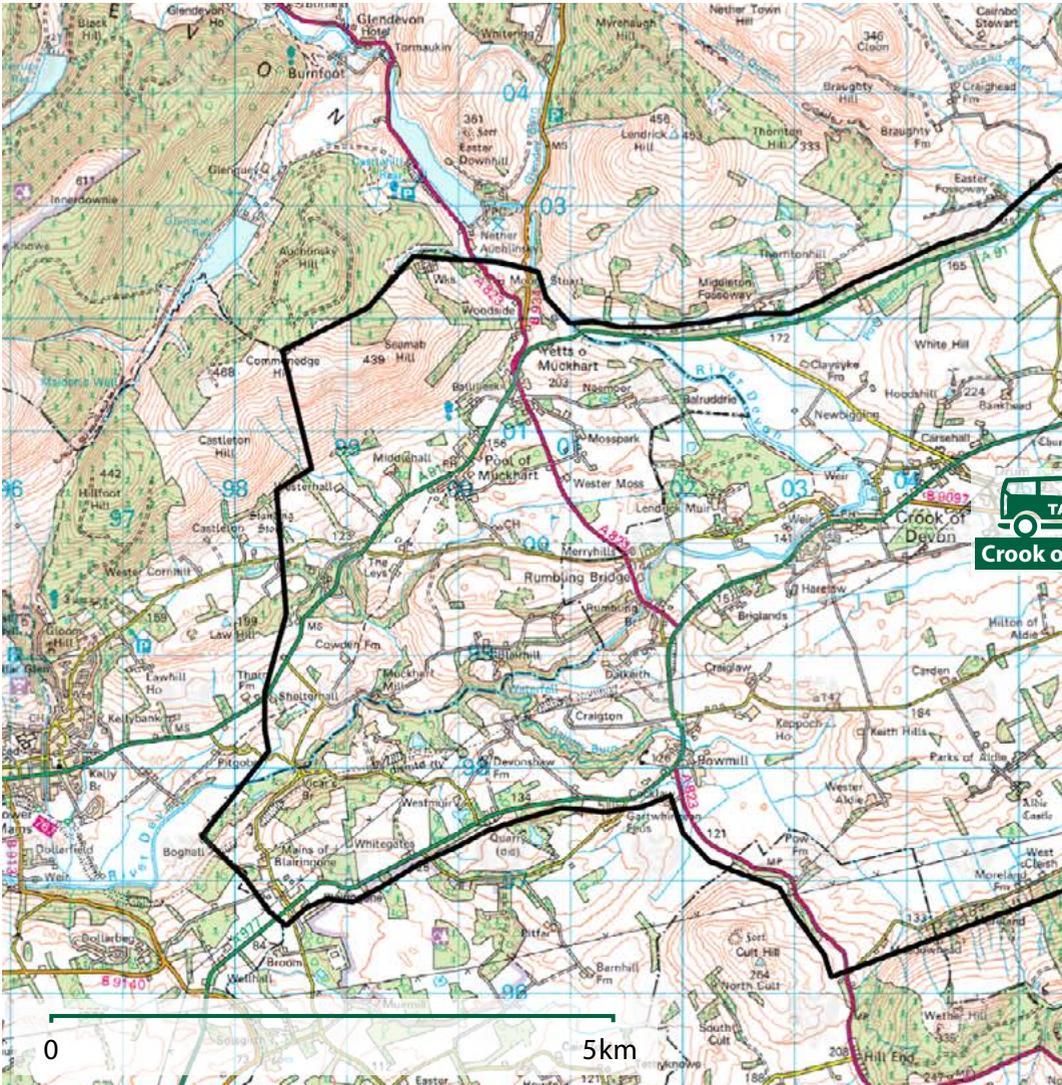

DRT1 will operate Monday to Saturday between 7.00 am and 10.00 pm. There is no Service on a Sunday or 24, 25, 26 and 31 December or 1-2 January in any year.

There will be a reduced level of availability during schooldays between 8.00 am - 9.15 am and 3.00 pm - 4.30 pm.

## **5 Will it pick me up from my house?**

DRT1 will only operate on the public highway and will not travel on private roads. At the time of booking the exact pick-up point and destination should be agreed with the operator.

## 8 Will the vehicle come exactly when I want it?

The operator will attempt to confirm a booking as close to your requested time as possible. However, they may ask you to accept a time up to 30 minutes earlier or later than the time you request. If you are unable to agree a suitable time please contact one of the other operators providing this service.

## 9 Can I book more than one journey at the same time?

Yes, you can book outward and return journeys, or multiple journeys.

## 10 Can I use it to connect with regular bus services?

Yes, DRT1 can be used to connect with local and express bus services.

## 11 What is the fare?

The fare is broadly similar to the local bus fare and is based on the length of your journey.

Passengers who present their Scottish National Entitlement Card (Over 60s, Disabled People and U22s) or Young Scot Card with free transport entitlement to the driver, will travel free of charge. Children under the age of 5 years old travel free of charge, and must be accompanied by an adult.

Young people aged 5-21 years old not in possession of an U22's National Entitlement Card/Young Scot Card will be charged as follows: 5-16 years old half the adult single fare and 16-21 years old will be charged the full adult single fare.

The fare will be confirmed by the operator at the time of booking as per the following fare table.

Mileage	Adult	Mileage	Adult
0.1 - 1	£1.90	7.1-8	£3.40
1.1 - 2	£2.20	8.1 - 9	£3.50
2.1 - 3	£2.50	9.1 - 10	£3.70
3.1 - 4	£2.70	10.1 - 11	£3.90

## 12 What if I decide to change my plans?

Please phone the operator as soon as possible if you want to cancel or alter a booking.

## 13 Does the service need a minimum number of passengers?

No. A journey will be operated for one passenger.

However the operator is permitted to include additional passengers, up to the capacity of the vehicle, to allow several passengers to travel together where appropriate.

All children under the age of 12 must be accompanied by an adult for the whole journey.
