Nic Beech is the Vice Principal, Provost of the University of Dundee, Chair of the British Academy of Management and was previously Dean of Arts and then Vice Principal at the University of St Andrews.

His research interests are in the construction of identity, leadership, learning and change, particularly in creative industries and health care. His recent work includes a study of diversity in leadership in the FTSE100. He has held visiting chairs in the UK, the Netherlands and Australia.

Nic is a companion of the Chartered Management Institute and, reflecting his interests, is a board member of CMI Race, NHS Tayside, V&A Dundee and Fife Cultural Trust.

Robert Packham, Chief Officer, Perth & Kinross HSCP

Robert Packham came into post as Chief Officer for the Perth and Kinross Health and Social Care Partnership in September 2015. Previously the AHP Director in NHS Tayside, Robert qualified as a Chartered Physiotherapist in 1980.

Prior to working in Tayside, he held a number of leadership roles in Fife and Lothian and before that, clinical roles in Newcastle and County Durham. During 2013 and on completion of the NHS Lothian Leadership Masters programme, Robert became involved in development of the Midlothian Health and Social Care Partnership as the Head of Health.

He joined the HOPE programme in Denmark for 4 weeks where he witnessed integrated locality based working in action.

In his middle career, Robert travelled extensively as a Lecturer in Orthopaedic Medicine, gaining experience of different health and care systems around the world that demonstrated the opportunity of Integration as a natural step towards better care for the public. While Robert acknowledges the complexity of this emerging role and the many practical challenges in bringing different stakeholders to focus on anticipating the needs of local communities; in these early months, he has appreciated how helpful it is to be building on the strengths of a team and a general public who have a proven track record of joint working in Perth and Kinross.

Jane Smith, Chief Financial Officer, Perth & Kinross HSCP

Jane Smith qualified as a Chartered Accountant with Ernst & Young in 1992. After spending 2 years with Baillie Gifford, she joined NHS Lothian Strategic Financial Planning Team.

In 1996 she was seconded to the Scottish Governance Health Finance Team returning to NHS Lothian in 1998 as Assistant Director of Finance for West Lothian Healthcare NHS Trust. Thereafter she spent 8 years as Head of Finance for NHS Lothian and more recently as Head of Efficiency and Productivity.

Jane was appointed as Chief Finance Officer to Perth & Kinross IJB in January 2016.

Allan Drummond, Staff Side Representative, Stakeholder Member Perth & Kinross IJB

Allan Drummond previously worked as a Police Officer with over 15 years service following which he joined NHS Tayside approximately 15 years ago. Allan presently is a member of Pat Millar's (Head of Knowledge & Skills) Learning & Development Organisation Development Team.

Allan is currently seconded as a full time Partnership Facilitator for NHS Tayside covering a multitude of Partnership Working Forums throughout Tayside.

He is also Staff Side Lead for Perth & Kinross IJB and Co Chair Perth & Kinross Health & Social Care Partnership Forum with Evelyn Devine, Head of Health

Fiona Fraser, Staff Side Representative, Stakeholder Member Perth & Kinross IJB

Fiona Fraser has worked for Perth & Kinross Council for 12 years all under the Housing & Community Care now known as Housing & Environment Service within the Safer Communities Team.

Fiona has been a member of Unison for the last 12 years becoming a steward in 2010. Two years ago she became the Assistant Branch Secretary for the PKC branch of Unison.

She became involved with the Health and Social Care Integration process around 2 years ago representing staff side for PKC.

Linda Lennie, Public Partner Service User Representative, Perth & Kinross IJB

Linda Lennie has experience of Social Care in both her professional and personal life. Linda was previously a foster carer for five years and also has cared for her mother for the past 10 years following her mother developing Alzheimer's.

Linda has experience working for the third sector and has a voluntary role as service user representative for Perth and Kinross Health and Social Care Partnership.

Linda previously obtained two degrees, a degree in Health and Welfare and an Honours Degree in Childhood and Youth studies. Miss Lennie is currently in her final year studying Social Work Honours.

Catherine (k/a Bernie) Campbell, Public Partner Carer Representative , Perth & Kinross IJB

Bernie started her working life as a book compiler in a small publishing Company in London. In 1984 Bernie and her family made a life changing decision and moved to Blairgowrie to set up a new business venture. They opened a Care Home in Blairgowrie and so started Bernie's 33 year journey into care. After 22 years in business it was with great sadness that they made the decision to retire as Duncan's health deteriorated.

Bernie was involved in setting up the first Residential Care Home Association within Perth and Kinross, serving as Secretary and then Vice Chair. She worked closely with Perth & Kinross Council and represented the Independent Care Homes on many groups during this period, particularly in relation to the changes following the Community Care Act 2002, under the umbrella of "Care Together"

Bernie commenced a new stage in her career in 2006 and joined a Corporate Group as a Care Home Manager and she brought to the role the knowledge and experience gained as a Care Home Owner in her own right.

Bernie continued to hold down a full time position as a Care Home Manager and throughout this period she also had to take on more and more responsibilities as a Carer for her husband but four years ago she decided to go part time. She did not think that one day she would find herself on the other side of the fence providing direct care to a member of her own family. It has provided her with insight into life as a Carer which has made her even more determined to ensure that the voice of Carers is heard and more importantly listened to.

Bernie joined the Unpaid Carers Forum in 2014 and is also a member of the Coalition of Carers, a group which represents Carers across Scotland. She also represented the Carers of North Perthshire in 2015 at the Carers Parliament in Edinburgh. As an advocate for Carers she intends to use every opportunity to speak out on their behalf and to be involved in shaping the future for the benefit of the Carers and those who they care for. She has personal insight into the pressures and challenges that carers face on a day to day basis and she believes this is of great benefit to her role as a member of the Carers Voice.

Bernie has always been and remains passionate about the rights of individuals whether it was her husband, the residents in her care, Individuals in the community and finally for the Carers she has met at the numerous meetings she has attended.

Val has a particular interest in "wider mental health community" including service/user carer involvement/support and has been recipient of a number of joint awards including the MWC Principles into Practice Award. Val currently sits on a number of National Groups including the National Missing Persons Group and was asked to participate as a speaker at the International Conference on Missing Persons. Val has also participated as a member of the Scottish Government Working Group re-drafting of the Mental Health (Care & Treatment)(Scotland) Act 2003 Code of Practice, and is a member of the National Inpatient Mental Health & Learning Disability Bed Census Group.

Diane Fraser, Head of Adult Social Work and Social Care

Diane has responsibility for leading Adult Social Work and Social Care Services in Perth and Kinross, including services within the Health and Social Care Partnership and Community Safety.

Social Work and Social Care Services are vital for many people across Perth and Kinross and Diane is committed to making sure that everyone receives excellent, high-quality services.

Adult social work and social care services have undergone significant changes over the past few years, and this has been achieved by our creative and committed staff who have embraced innovation. Despite some ongoing challenges facing the service, Diane is looking forward to continuing to work closely with communities to support new ways of working and improving the lives of local people.

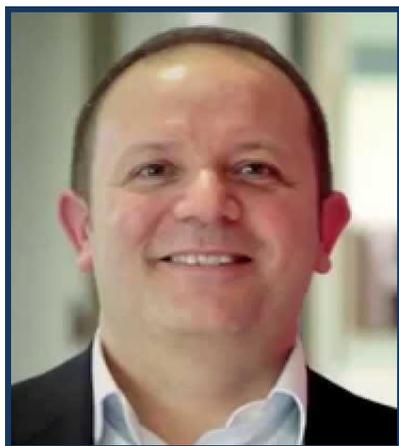

Diane is originally from Perthshire and secured a Team Leader post with Perth and Kinross Council in 2006. She has extensive experience of working across a range of social work services in the public and voluntary sector. She spent the first half of her career in the West of Scotland working with Renfrewshire and Inverclyde Councils. She qualified as a Mental Health Officer in 2001 and worked in Community Mental Health Teams, including forensic mental health. Diane's previous personal experience of working in an integrated team was very positive, and she is very much looking forward to developing this new way of working in Perth and Kinross.
