

What are our aims?

- To provide English language support across the curriculum for bilingual children.
- To support teachers of bilingual pupils and liaise with other agencies who may also be involved.
- To promote the welfare of these children in school and in the community
- To ensure equality of opportunity and access to the mainstream curriculum.
- To work in partnership with schools to promote effective home/school communication.
- To raise awareness of the linguistic, cultural and religious background of EAL pupils.
