

Perth & Kinross Outdoor Access Forum Membership of the Camping Issues Subgroup

Aim: To work with Council Officers and partners, in particular Tayside Police, and local Communities, as appropriate to consider and give advice on how best to resolve any issues arising in relation to those camping out with campsites. This information and advice is taken to the Forum quarterly meetings for approval.

Notes: Most effort has gone into the Loch Rannoch & Tummel area where a community group and police officers speak to all campers to ensure they act responsibly. Posters and tent tags have been produced and placed and extra bins and collections have been arranged. Publicity is also used to good effect.

Established: At Forum meeting of 23 August 2007.

Membership: Since its formation membership of the subgroup has altered in line with changing membership of the Forum. It has a balanced member with two from each of the four groups of the Forum. Current members are listed below.

Agency/Public Body: Councillor Bob Ellis (Chair of Subgroup)

Community: Peter Pearson (Forum Vice Convener)

Recreation: Ron Payne

Landowner/Manager: Hugh Anderson
