

Zero Waste Compliance Visit

If you are unsure what services you require, you can book a no-obligation Zero Waste Compliance visit with the Commercial Waste Team. You can also request a Waste Audit form which will allow you to track waste through your organisation. The audits can help with tailoring collection services to your business needs.

DRY MIXED RECYCLING

Dry Mixed Recycling for Businesses

The commercial dry mixed recycling collection service is available throughout Perth and Kinross, and allows businesses to recycle all of their paper, cardboard, cans, food and drinks cartons and rigid plastic packaging.

There are a wide range of containers available to suit all types of businesses, and local depots to ensure reliability of service. Commercial Waste Officers are available to offer support and advice to help you recycle as much as possible, and find cost effective waste and recycling solutions.

Cardboard Only Green Label

Customers who produce cardboard only, or who do not have space for a bin, can use the Green Label collection service. Green labels are pre-paid, and can be used for up to 12 flattened boxes placed in a secure manageable bundle at the kerbside.

For further information, please contact the Perth & Kinross Council Commercial Waste Team:
