APPLICATION TO FORM A NEW OR ALTER AN EXISTING VEHICLE CROSSING OVER A FOOTWAY OR VERGE OF A PUBLIC ROAD

I apply for permission to form a new or alter an existing vehicle crossing over a footway or verge of a public road and agree on receiving the necessary permission to construct the crossing in accordance with the specification laid down by Perth and Kinross Council. I confirm that I have paid the **appropriate application fee (£346)**.

Once permission is granted, I shall apply for '**Consent to Execute Works in a Road**' and construction work within the public road or verge will not commence until this Consent is granted.

I confirm that I have consulted the Council, Head of Planning regarding any planning requirements relating to the proposed vehicle footway crossing and associated works within my garden ground.

A **Location Plan and/or photograph** showing the approximate position of the proposed access is shown on the reverse of this form.
