Catering

The new dining facility provides meals which meet the latest food and nutrition standards required by the Scottish Government. A breakfast club is also in operation which offers children a great opportunity to get the day off to a healthy and nutritious start.

Community facility users can access on-site refreshments from our vending service. With a variety of rooms available for meetings and social engagements, a full catering service can be provided for all occasions by Tayside Contracts Hospitality Catering Department.

Light refreshments, finger buffets, special event catering and business lunches are available. All catering is tailored to suit individual requests including special dietary requirements.

The campus also includes the new Inch View Primary and Nursery School (which replaces Caledonian Road Primary School and Friarton Nursery) and has capacity for 350 primary school pupils and 80 full-time plus 20 morning and 20 afternoon nursery places.

State of the art classrooms combine with the latest sports and cultural facilities to provide first class education, learning and leisure use.

In addition to the primary and nursery school activities, Glenearn Community Campus is also available for use outside school hours and offers an excellent range of facilities for local interest groups, organisations and individuals.

Sports and Leisure

The fantastic sports and leisure facilities at Glenearn Community Campus provide many new sporting opportunities for both school children attending the campus and the wider community; individuals, community groups and sports clubs. The Glenearn facilities are ideal for one off 5-a-side football games, tennis matches and block bookings for community groups.

Perth and Kinross Leisure (PKL) offer a range of great membership opportunities for all age groups; these memberships provide access to a range of activities taking place within Perth & Kinross Council's Community Campuses and all other PKL sports facilities.
