2.2 This report lists all tenders accepted and works awarded, of A value in excess of £5,000, by the Executive Director (Housing and Community Care) since the last report to Committee on 15 August 2012 (report No 12/340) and up to 31 December 2012.

3. PROPOSALS

The Committee is asked to note the contracts awarded since the last report to Committee on 15 August 2012 and up to 31 December 2012 in order to deliver the objectives of the Service.

6. COUNCIL CORPORATE PLAN OBJECTIVES 2009-2012

The Council's Corporate Plan 2009-2012 lays out five objectives which provide clear strategic direction, inform decisions at a corporate and service level and shape resources allocation. The following objectives are particularly relevant to this report:

- i) A Safe, Secure and Welcoming Environment
- iii) A Prosperous, Sustainable and Inclusive Economy

7. EQUALITIES IMPACT ASSESSMENT (EqIA)

An equality impact assessment needs to be carried out for functions, policies, procedures or strategies in relation to race, gender and disability and other relevant protected characteristics. This supports the Council's legal requirement to comply with the duty to assess and consult on relevant new and existing policies.

The function, policy, procedure or strategy presented in this report was considered under the Corporate Equalities Impact Assessment process (EqIA) with the following outcome:

- i) Assessed as **not relevant** for the purposes of EqIA

8. STRATEGIC ENVIRONMENTAL ASSESSMENT

Strategic Environmental Assessment (SEA) is a legal requirement under the Environmental Assessment (Scotland) Act 2005 that applies to all qualifying plans, programmes and strategies, including policies (PPS).

However, no action is required as the Act does not apply to the matters presented in this report. This is because the Committee are requested to note the contents of the report only and the Committee are not being requested to approve, adopt or agree to an action or to set the framework for future decisions.

9. CONCLUSION

This report reflects best practice in terms of governance and adherence to both the Council's Financial Regulations and the Scheme of Delegation.
