

**AUCHTERARDER COMMON GOOD FUND COMMITTEE**

1 May 2013

**APPLICATIONS FOR FINANCIAL ASSISTANCE****Report by Depute Director (Environment)****PURPOSE OF REPORT**

The report asks Auchterarder Common Good Fund Committee to consider applications for financial assistance.

**1. BACKGROUND/MAIN ISSUES**

- 1.1 Perth and Kinross Council owns land and property which forms part of the common good of the former burghs in Perth & Kinross and has a statutory duty in terms of section 15 of the Local Government etc. (Scotland ) Act 1994 to administer this land and property “having regard to the interests of the inhabitants” of those former burghs. This duty also applies to the administration of the associated common good funds.
- 1.2 The Common Good Funds have traditionally demonstrated their support to local residents and organisations by distributing grant. These grants award individuals and local organisations to carry out a wide range of community based activities.

**2. PROPOSALS**Auchterarder Student

- 2.1 An application has been received from an Auchterarder Student seeking a grant towards attending the 2013 Tour to Florence, Italy from 2 – 9 July with the Perth Youth Orchestra. The total costs of the tour amounts to £1,200. The applicant is requesting £100. The applicant has never benefitted from the Fund before. It is recommended that Auchterarder Common Good Fund Committee award a grant of £100 in line with the guidance (see Appendix 1 – Criteria 9). The grant will contribute to promote social inclusion.

Recommendation

- 2.2 Auchterarder Student be awarded £100 towards the costs of the Perth Youth Orchestra tour in Italy.

First Response Scotland Auchterarder

- 2.3 Auchterarder Common Good Fund agreed a grant of £9,000 towards the purchase of a vehicle. On 26 November 2012, the applicant informed us, that

due to delays linked to specific vehicle technical requirements, it took longer to raise the necessary funding and it was not possible to purchase the vehicle on time to start to operate. As a transitional arrangement, the group entered into a lease agreement which was thought to be short term. However, the agreement was for 4 years with strict and onerous breaking clauses. The applicant is requesting the purpose of the grant be changed from the purchase of the vehicle to a lease of a vehicle for 4 years. At the last meeting, the Committee asked for further information which has been provided as noted in paragraph 2.4 below.

- 2.4 The 4 year lease deal, which was secured with the First Response Scotland Charity, has a cost of £721.05 per quarter for 4 years totalling £11,536.80. The costs of purchasing a new vehicle would have been around £19,000 with a residual value after four years of £9,000. The group felt that it was more economically viable to lease rather than lose such a large sum of money and have the added cost of maintaining an older vehicle. The group envisages continuing the lease at the end of the contract. During this first operational year, the group has focused its fundraising efforts on securing funding for its infrastructure which has been supported by local community and businesses. The organisation would ideally like to earmark restricted funding specifically to cover leasing costs, which so far it has not been able to do. They continue to fundraise and are currently organising a ceilidh for the month of May. It is recommended that the Committee consider the request from First Response Scotland Auchterarder.

#### Recommendation

- 2.5 The request from First Response Scotland Auchterarder be considered by the Committee.

### **3. CONCLUSION AND RECOMMENDATION(S)**

- 3.1 The Committee is request to approve the recommendations in the report.
