

Zero Waste Compliance Visit

If you are unsure what services you require, you can book a no obligation Zero Waste Compliance visit with the Commercial Waste Team. You can also request a Waste Audit form which will allow you to track waste through your organisation. The audits can help with tailoring collection services to your business needs.

FOOD WASTE

Food Waste Recycling for Businesses

The commercial food waste collection service will allow your business or organisation to recycle all cooked and uncooked food waste including, preparation, spoilage, plate scrapings and out-of-date food waste. Within this service your food business will also be able to recycle kitchen roll and paper napkins.

Do I need a food waste collection?

From 1 January 2016 all food businesses, located in urban areas, producing over 5kg of food waste per week will be required to present this for separate collection.

Internal Bins

Perth & Kinross Council Commercial Waste Team can now offer your business a hygienic, hands-free solution to separating your food waste. Our durable internal bins come in two sizes, 30L and 60L. They are compliant with HACCP food safety guidelines, have a close-fitting overlapping lid, and are made from easy to clean hard plastic.
