APPLICATIONS FOR DETERMINATION

(1) Application Previously Considered

Councillor T Gray advised the Committee that, following normal practice when an application had previously been deferred by the Committee, notification that the following application would be on the agenda had not been issued to interested parties. However, deputation requests had been made by two of the local members for Ward 8 and a representative from Fossoway and District Community Council.

The Committee was asked:

- (i) Whether they were in agreement to hear the deputation requests for Planning Application 12/00546/FLL;
- (ii) Would they support the Convener's intention that these deputations should restrict their remarks to the two matters for which the application was previously deferred?

Resolved:

The Committee agreed:

- (i) To hear the deputation requests for Planning Application 12/00546/FLL:
- (ii) Not to restrict the speakers to any particular matter.

Following agreement to hear the requested deputations, the Convener then asked the Committee if they were minded to hear a deputation from the applicant's agent thereafter. If they were so minded, this would require suspension of Standing Order 59.

Resolved:

The Committee unanimously agreed to suspend Standing Order 59 to enable the applicant's agent to address the Committee.
