1. DECLARATIONS OF INTEREST

There were no Declarations of Interest made in terms of the relevant Codes of Conduct.

2. MINUTE OF PREVIOUS MEETING

The minute of meeting of the Perth and Kinross Health and Social Care Integration Pathfinder Board of 25 October 2013 was submitted and approved as a correct record.

3. MATTERS ARISING

There were no matters arising from the minute of the previous meeting.

4. NATIONAL LEGISLATION

There was a verbal update by K Bessos, Deputy Director of Primary and Community Care, Scottish Government updating the Pathfinder Board on progress made in relation to health and social care integration and preparations for the implementation of the provisions contained within the Public Bodies (Joint Working) (Scotland) Bill.

C Selkirk tabled a presentation hand-out: Integration of Adult Health and Social Care – Policy Statements Update for information. The hand-out resulted from a recent presentation to NHS Board Members updating them on forthcoming National legislation. A copy of the presentation is attached as Appendix 1 for information.

The Pathfinder Board agreed:

- (i) A report providing information on the Delegation of Functions – Health Boards be submitted to the next meeting of the Pathfinder Board.

5. PERTH AND KINROSS HEALTH AND SOCIAL CARE INTEGRATION ROUTE MAP

There was submitted and noted an updated Perth and Kinross Health and Social Care Integration Route Map (RM) (G/14/26) for information.

In discussion the Board noted that: (i) the structure of the RM had been carried forward from the previous Shadow Board; (ii) the RM would continually evolve and be updated as actions progressed; (iii) some of the colours in the RM required updating; (iv) the RM still needed to be populated with responsibilities and timescales; (v) the RM required an holistic overview of the work being done and the inclusion of governance arrangements; (vi) the RM could be added to SharePoint; and (vi) more information was required on the underpinning IT strategy.

The Board noted that Councillor Doogan had recently met with Lesley McLay, Chief executive, NHS Tayside and expressed the Board's view that an Interim Chief Officer should now be appointed. He would also be taking the matter forward with the Chief Executive of Perth and Kinross Council in the near future.

The Pathfinder Board agreed:

- (i) That a full review of the Route Map be undertaken. (D Burke/C Selkirk)
- (ii) That an updated Route Map be distributed at the mid-point between each meeting of the Board.
- (iii) All future version of the Route Map to include a version control number.

The Board agreed to vary the order of business from this point.

6. FUTURE DIRECTION OF PSYCHIATRY OF OLDER PEOPLE IN PERTH AND KINROSS

There was submitted for information a report (G/14/30) by Maggie Rapley, Service Manager, Psychiatry of Old Age, NHS Tayside outlining the Future Direction of Psychiatry of Older People in Perth and Kinross.

The Board also heard a presentation by Dr Peter Connolly, Consultant in Old age Psychiatry, NHS Tayside.

It was noted that E Devine was currently organising a workshop covering some of the issues under discussion.

The Pathfinder Board:

J Gilruth tabled an updated report to the Board.

The Pathfinder Board:

- (i) Noted the content of Report G/14/27.
- (ii) Requested that Clinical Governance be considered in future reports.

8. INTEGRATED LOCALITY WORKING AND PLANNING

There was submitted a joint report (G/14/28) by Bill Nicoll, General Manager, Perth and Kinross Community Health Partnership, NHS Tayside and John Gilruth, Head of Adult Care, Housing and Community Care, Perth and Kinross Council. The Report outlined an approach to developing locality working and planning based on the roll-out of successful approaches and experience to date in Perth and Kinross.

The Pathfinder Board agreed:

- (i) To define localities within the Partnership for the purposes of Locality Working, Planning and Development and commission further work to shape the detail of localities in Perth and Kinross.
- (ii) To commission officers to prepare the profiles and mapping of services, assets and resources across the agreed localities and to report back to the next meeting.
- (iii) The approach to identification of localities, subject to the further report on the more detailed delineation and definition of the areas and populations and characteristics from the locality profile.
- (iv) The creation of a locality leadership structure at a senior level and to receive a further report on the detail to a future meeting.
- (v) The development of Locality Leadership and Development and the continued roll-out of the action learning sets approach.
- (vi) That a further report be brought forward on the engagement of stakeholders and practitioners in locality planning, development and delivery and the formation of integrated locality teams.
- (vii) That detailed proposals be brought forward on mobilising more traditional secondary care and senior practitioner capacity out into the community setting.
- (viii) To receive a report on the development of the Strategic Commissioning Plan that demonstrates how locality based planning and commissioning will underpin the overarching strategic plans.
- (ix) That the Implementation Group will bring back a plan or progress report on the further development of community consultation, engagement, capacity building and co-production as part of an assets-based approach.
