

The Joint Learning Disability Strategy – 2012-2015
 Working in partnership to plan, commission and deliver personalised services.

JOINT STRATEGIC PLANNING, IMPLEMENTATION AND REPORTING FRAMEWORK

Version	No 12-4	Date	Jan 2015
Status	Reference Document		
Author	L McCurrach – Planning Officer		

**AIMS OF THE JOINT STRATEGIC PLANNING GROUP
[IMPLEMENTING THE STRATEGY AT JAN 2015]**

- **Formulate and maintain a current and comprehensive implementation plan** to realise the Joint Strategic Action Plan for Learning Disability Services; transforming Charter Pledges into actions and outcomes.
- **Oversee and progress the implementation** of the Joint Strategy for Adult Learning Disability Services 2012-2015 (incorporating services for those on the Autism Spectrum); in so doing, to improve outcomes for service users and carers.
- **Support and sustain the involvement** of service users, carers, partner service providers and other key stakeholders in the implementation of the Joint Strategy
- **Monitor, oversee and report** progress against all the actions therein
- **Promote partnership working** between all agencies and stakeholders to progress developments in personalisation, co-production and all twelve Charter Pledges
