Where Do We Work?

We will work with clients either at LDISS or in a community setting which meets their needs e.g. their own home.

What Can We Do For Your Clients?

- We offer an assessment and treatment service for Adults who have a Learning Disability and who may also have associated health needs in relation to a variety of issues e.g. Mental Health, Epilepsy, Autism, Exhibiting behaviours which can be challenging.
- We offer a person-centred flexible approach to healthcare, encouraging individuals to achieve their potential in an environment which is safe and therapeutic.
- We offer support, education and advice to clients, their families / carers and to partner agencies e.g. behaviour support plans.
