

PERTH AND KINROSS COUNCIL**Licensing Committee****7 January 2016****REVIEW OF LICENCE FEES****Report by Head of Legal Services****PURPOSE OF REPORT**

This report recommends that the Committee approve an increase in fees as shown in the Appendix for licences issued under the Civic Government (Scotland) Act 1982.

1. BACKGROUND / MAIN ISSUES

In terms of paragraph 15 of Schedule 1 to the Civic Government (Scotland) Act 1982, the Council must charge such reasonable fees as it may determine in relation to applications. In setting the fees, the Council must ensure that the income received by the Council meets the expenses incurred in exercising its functions under the Act.

Fees were last subject to a general increase of 5% in 2012 (Art. 12/173). An increase in fees is required to ensure that fee income is sufficient to meet the expenses incurred in exercising the licensing function.

It is projected that for the financial year 2015/16, the cost to the Council in exercising its functions under the Act will be £140177 whilst income is forecast to be £129013.

2. PROPOSALS

It is proposed that fees be subject to an inflationary increase of approximately 5.2%, in keeping with the Bank of England composite inflation index from 2012 to 2014, as set out in the Appendix attached to this report. Fees are rounded up to the nearest £5.

In 2012, it was proposed by the Head of Legal Service to review public entertainment licences to ensure that for larger commercial events in particular, costs incurred by the Legal Licensing Department are appropriately factored into the fees charged. Fees have been reviewed and to support community events where there are less than 200 people attending, no increase in fees are proposed. Where the capacity is up to 1500, it is proposed to increase the fee by approximately 5%, for all other categories, the fee is doubled.

To support taxi and private hire car operators uptake of wheelchair accessible vehicles as defined in the new "Conditions for Taxi and Private Hire Car Operator's Licence", and, encourage the use of ultra low emission vehicles, a

new scale of fees are proposed. £55 / £65 for vehicles that meet the definition of a wheelchair accessible vehicle; £110 / £130 for fully electric / ultra low hybrid emission vehicles with an approximate increase of 5% for general taxi and private hire vehicles.

These proposals will increase the forecast income to £135463 and if the additional increase for public entertainment and fun fairs are approved, will allow a balanced budget.

These proposals would assist the Council in meeting the general duty imposed on it by the Equality Act 2010 to;

- (i) Eliminate unlawful discrimination, harassment and victimisation
- (ii) Advance equality of opportunity; and
- (iii) Foster good relations

3. CONCLUSION AND RECOMMENDATION(S)

The report proposes an increase in fees under Civic Government (Scotland) Act 1982 as set out in this report, to take effect from 1st April 2016.

The Committee is asked to note the contents of the report and approve all charges.
