What specialist skills or experience can you offer?

I am a qualified dental nurse, so I can advise and guide potential clients on good oral health. I have done voluntary work for Barnardo's and feel I could offer lots of social support.

What are your hobbies and interests?

I am a motivated and hardworking individual. I consider myself to be kind and compassionate. I was a qualified dental nurse for ten years, which required a calm and reassuring manner. Within this role, I carried out annual risk assessments and CPR training. I have enjoyed taking on some volunteer work as it has provided me with tools to focus on client needs, wants & goals.
