Notice of preparation of Main Issues Report

Perth and Kinross Council have prepared a Main Issues Report which is available for inspection, together with its supporting documents, at Pullar House 35 Kinnoull Street Perth between the hours of 8.45 am and 5.00pm Monday to Friday (except for the first Thursday in every month when the opening hour is 11.00am, Pullar House will also be closed from 27 December 2010 until 5 January 2011). The document is also available for inspection at all local libraries and area offices during normal opening hours.

The documents are available to download from the Council's website and an online version is also available to view and make representations on. These can be found at

www.pkc.gov.uk/MainIssuesReport

The Main Issues Report (MIR) is a key stage in the preparation of the Council's Local Development Plan which will replace the 6 existing local plans. The MIR is not a draft plan but is designed to stimulate discussion and seek views on which policy and development options should be included in the Local Development Plan to shape the future of land use in Perth and Kinross over the next 14 years.

Further information may be obtained by visiting the Council's website, calling 01738 475300 or using the email address. Consultation events are being held in October and November and details are also available on the website, or by calling the number above.

Anyone may make representations on the content of the Main Issues Report and these should be in writing and received by Friday 14 January 2011. Representations should be made using the online module but can also be made, preferably electronically, using the addresses below. A representations form is also available either electronically or as a paper copy.
