Dear Mr Carlin

**Environmental Assessment of Plans and Programmes (Scotland) Regulations 2004
Auchterarder Expansion – Townhead and North East Development Framework:
Scoping Report**

Please find attached four copies of Perth and Kinross Council's SEA Scoping Report, as required under Regulation 17 (1), for the Auchterarder Expansion Development Framework.

As a land use document which will set the framework for the future development of sites within Auchterarder, it falls under Regulation 9(a) of The Environmental Assessment of Plans and Programmes (Scotland) Regulations 2004.

The report has been prepared by WSP Environmental Ltd. on behalf of Perth and Kinross Council, should you or any of the Consultation Authorities require further information on the SEA Scoping Report please feel free to contact Henry Collin at WSP. His contact details can be found on Page 6 of the report.

I trust you will find the enclosed Scoping Report in order, and I look forward to your response in due course.

Yours sincerely

Roland Bean
Head of Sustainable Development Planning
