What specialist skills or experience can you offer?

I have worked with adult and elderly people over the last 33 years, 5 of those years were in General & Dementia Care in Ward settings. I've worked for 14 years in both elderly and adult services in the community for NHS Tayside. I am now retiring from full time work but feel I have a lot to offer in supporting those in need of a little assistance to enhance their own independence socially, in living a high quality of life.

What are your hobbies and interests?

I am a good listener, very honest, caring person. I am a people person. I am a capable and conscientious person who would go out of her way to help those in need. My hobbies include reading, crosswords, cinema, theatre, and concerts. I also would enjoy looking at paintings and art— but don't know much about artists. I am a family orientated person and enjoy spending time with them.
