Amendments to Item 7.4: Review of Residential Care

Please note the following amendments to Report G/18/8:

- *Page 196 Section 1.3 – The narrative for option 3 should read **26** replacement beds to be commissioned externally and not 30 as stated in the current version.*
- *Page 216 Appendix 2 - The title of option 3 should read **26** replacement beds to be commissioned externally and not 30 as stated in the current version.*
- *Page 217 Appendix 2 - The financial table for option 3 should read **26** replacement care beds and not 30 as stated in the current version.*
- *Page 218 Appendix 2 - The financial table for option 4 should read **10** replacement care beds and not 14 as stated in the current version.*

These are minor amendments to ensure complete accuracy and have no impact on any element of the option appraisal.
