

Blue Badge Application Form

Organisational

Please complete all relevant sections of the application form and supply the appropriate documents to confirm your address, identity and evidence of eligibility. When completing this form you may find the accompanying Guidance Notes are helpful.

The local authority may refuse to issue a badge if you do not provide adequate evidence that you meet the eligibility criteria.

Section 1 - Applying for an Organisational Blue Badge (Regulation 5)

These questions are intended for organisations involved in the care of disabled people who are seeking a Blue Badge for vehicle/vehicles (eg minibus, or specially adapted commercial vehicle) which is/are to be used to carry disabled people who would themselves qualify for an individual Blue Badge. Please see the accompanying Guidance Notes for a list of the eligibility criteria prescribed in the regulations that govern the scheme.

An 'organisation' is defined in legislation as meaning an organisation concerned with the care of disabled persons to which a disabled person's badge may be issued.

Organisational badges will therefore only be issued to an organisation which:

- *cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and*
- *has a clear need for an organisational badge rather than using the individual Blue Badges of people it is transporting.*

Organisational badges should only be used when transporting disabled people in their care who meet one or more of the eligibility criteria for a badge - and must not be used for the employee's benefit when they are carrying out other business on behalf of the organisation. It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge.

If you are unsure about how to answer these questions, then please read the Guidance Notes enclosed with this application form.

Blue Badge Application Form

Guidance Notes

Section 1 - Organisational Badges

Please complete this section if you are representing an organisation applying for an organisational badge. An Organisational badge may be issued to organisations whose responsibility includes the **care and transportation** of disabled people who would themselves meet the eligibility criteria for a badge should they apply individually. An eligible disabled person is defined as a person who is over two years old and:

- *receives the Higher Rate of the Mobility Component of Disability Living Allowance; or*
- *is registered blind (severely sight impaired); or*
- *receives a War Pensioner's Mobility Supplement; or*
- *receives a lump sum benefit under the Armed Forces and Reserved Forces (Compensation) Scheme within tariff levels 1-8 (inclusive) and has been assessed and certified as having a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking; or*
- *drives a vehicle regularly, has a severe disability in both arms and is unable to operate, or has considerable difficulty in operating, all or some types of parking meter;*
- *has a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking; or*
- *has a temporary but substantial disability which is likely to last for a period of at least 12 months, but less than 3 years, which causes inability to walk or very considerable difficulty in walking.*

In addition, eligibility covers children under the age of three who fall within either or both of the following descriptions:

- *a child who, on account of a condition, must always be accompanied by bulky medical equipment which cannot be carried around with the child without great difficulty;*
- *a child who, on account of a condition, must always be kept near a motor vehicle so that, if necessary, treatment for that condition can be given in the vehicle or the child can be taken quickly in the vehicle to a place where such treatment can be given.*

Organisational badges will therefore only be issued to an organisation which both:

- *cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and*
- *has a clear need for an organisational badge rather than using the personal Blue Badges of people it is transporting.*

In all circumstances, badges will be supplied to organisations or departments (eg Social Services department) rather than to individual staff members.

All employees of the organisation who will be using the badge should be reminded that they must only use the badge for the purposes of transporting disabled people in their care who meet one or more of the eligibility criteria for a badge.

These employees should be reminded that if they use the badge to take advantage of the concessions when there are no passengers in the vehicle who are eligible for a badge they will face a fine of up to £1,000.

It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge. Such operators are, of course, able to use an individual's Blue Badge when carrying that person as a passenger.

Section 2 - Declarations and Signatures

Section 2(a)

The relevant mandatory declarations must be completed by all applicants, since they underpin the terms of applying for a Blue Badge. Please take the time to read and understand these declarations, since not ticking those that are relevant to your applicant may result in your local authority being unable to accept your Blue Badge application.

Section 2(b)

Completion of this section is optional.

Section 2(c)

All applicants must sign and date the form prior to submitting it.

A local authority may refuse to issue a badge if they have reason to believe that the applicant is not who they claim to be or that the badge would be used by someone other than the person to whom it has been issued.

If your badge application is successful, the leaflet *'The Blue Badge Scheme - Rights and Responsibilities in Scotland'* will be sent to you with the badge. This leaflet explains the rules of the Scheme and how you should use the badge properly. The leaflet can be viewed on the publications section of Transport Scotland's Blue Badge website: www.transportscotland.gov.uk/road/policy/blue-badge-scheme
