

Perth and Kinross Council is committed to working with communities and businesses to achieve social value from the money we spend. We will do this by including Community Benefit Clauses in as many of our contracts as possible.

This Wish List has been compiled from requests made by community groups and can also be viewed on a [map](#). Bidding companies are encouraged to use it to develop a Community Benefit offer in every bid submitted.

A [map of previously delivered community benefits](#) and [YouTube video](#) demonstrates our progress so far.
