

# PATH CLOSED FOR PUBLIC SAFETY

**THIS PATH HAS BEEN CLOSED TO PROTECT USERS FROM THE IMMEDIATE HAZARDS PRESENTED BY DANGEROUS TREES. PLEASE USE THE ALTERNATIVE PATH AS INDICATED ON THE ADJACENT MAP.**

A number of trees have been identified to require either removal or pruning to return them to a safe condition.

Many of the trees requiring work are ash trees infected with *Hymenoscyphus fraxineus* (ash dieback disease). In the majority of cases this kills the tree over a relatively short time period.

We intend, where practical, to heavily prune or 'pollard' the infected trees.

Please do not use this path until the signs and barriers have been removed. We aim to complete works by 31<sup>st</sup> October 2019.

We apologise for any inconvenience caused. For further information please contact the Dupplin Estate Office on 01738 622757 or [enquiries@dupplin.co.uk](mailto:enquiries@dupplin.co.uk)
