WHAT IS 1140 HOURS?

PHASED INTRODUCTION

EARLY LEARNING & CHILDCARE COMMUNITIES

WHAT ARE THE OPTIONS?

HOW DO I ACCESS 1140 HOURS?

What is 1140 hours?

Currently all 3-5-year olds in Scotland and some eligible 2 year olds are entitled to 600 hours of funded (free) access to Early Learning and Childcare (ELC), nursery provision.

The Scottish Government has announced that by August 2020 all 3-5 year-olds, and some eligible 2-year-olds will be entitled to 1140 hours of funded childcare.

This is a huge increase from the current entitlement of 600 hours.

The expansion is intended to support child development and close the attainment gap through the provision of high quality services, and also to support parents to return to work or study.

Phased introduction

Perth & Kinross Council is phasing in the expansion to 1140 hours between now and 2020. By August 2020 all 3-5-year-olds, and eligible 2-year-olds, in Scotland will be able to access 1140 hours.

In the Aberfeldy area, 1140 hours will be available to all families from August 2020 in a range of different ways. This factsheet is one of the ways we're letting you know what that means for you.
