Nisa Local shop is the hub for community. Dunning Scout Group & Nisa Village Shop working together to reduce number of visits to the shop. Scouts now delivering almost all newspapers

1. Store opening times now back to normal 6am till 9pm
2. Maximum of 3 customers in the store at any given time
3. NO customer contact with staff and vice versa, staff with customers
4. Social distancing applies inside and outside the store at all times
5. The Post Office will only be paying out pensions and benefits. NO other transactions will take place. Opening hours will be 9am-11am.
6. Please have a list of your essentials and reduce your number of visits.

I understand these measures will impact many within our community but hope all understand the reasons for them. We aim to play an important and vital part in sustaining the sick, the elderly and the housebound through these difficult times. We can only do this if we and our staff remain healthy.

Please remember our wonderful staff are putting their health on the line to serve their community in its hour of need. Rudeness to any member of staff WILL NOT be tolerated.

Thank for your patience and understanding. Thank you for supporting your local family business.
