For the last 13 years I have been working in the community providing support and assistance to adults living within their own homes ensuring that they feel safe and secure. I have full training in moving and handling, medication, first aid, food hygiene and dementia awareness.

What are your hobbies and interests?

I enjoy reading and socialising with my family. I am waiting to commence college in September 2020. I am looking forward to developing my skills and knowledge in sciences, hopefully leading to attending university to achieve a degree in podiatry.
