## What specialist skills or experience can you offer?

I am very compassionate about what I do, I look to help and connect with my clients and handle their needs with tenderness and warmth. I have experience in supporting adults, children and supporting the Scottish courts with visitation sessions between a father and his daughter.

By being a mother, I have had the responsibility of taking care of my child and ensuring his needs were met. I'm very proud to have a son who is doing well in life. My aim is to support clients with various aspects of their daily life so they can live the way they choose and hopefully I can bring a smile to their face.

## What are your hobbies and interests?

Once a week I volunteered for the Swap Shop charity situated in Letham. This involved working within the community.

I am interested in the outdoors, lots of walking to take in the fresh air, I do love Ceroc Dancing, attending the gym, computing, cooking new recipes, getting my paint brush out and creating a work of art.
