Week 1 some of the chalk workshops
Children from Perth & Kinross have had
fun with this week with Childcare Strategy
Team

Do at home!

What you need: different coloured chinks (can be found in supermarkets), suitable drawing surface, paintbrush, suitable container and water

Instructions: make chalk pictures outside on paving stones or concrete.

Show your child how they can make marks using chalk.

Try chalking on different textured surfaces such as wood, rough and smooth surfaces.

Show how you can blend chalk pictures by rubbing them

Week 1 some of the bubble workshops Children from Perth & Kinross have had fun with this week with Childcare Strategy Team

Why not try at home!

Easy Homemade Bubbles Recipe

6fl oz of water

2fl oz of washing up liquid

2 fl oz of glycerine

1 tablespoon of sugar

Great for hand-eye co-ordination and it's good fun too! Early science experiments.

MAKE AND BLOW BUBBLES!

Place a small amount of dishwashing soap on a plate & pour some water on it & mix it until some suds begin to form

Giant Bubble Method 1 you will need –

- 2 sticks
- 2.2m of string
- Extras optional for decorating

Giant Bubble Method 2 you will need –

- 2 Straws (with a big opening helpful)
- String

Week 1 some of the outdoor play during the Get Into Summer workshops children from Perth & Kinross have had fun with this week with Childcare Strategy Team

Do at home!
PARACHUTE PLAY!
This can be recreated at home with sheets. Each person takes an end of the parachute/sheet and fans it upwards while one of you runs underneath

Go Camping! You can put a tent up in your garden or, you can camp inside with a homemade tent made from a sheet, 2 chairs and some string

Hide and Seek in your house or garden!
