# Account Creation and Sign In

1. Register for Turas Learn (https://learn.nes.nhs.scot/)

2. Click on the Register option as highlighted above to create an account. The following box will appear.

At the sectors drop down box, select **Local Authorities in Scotland**

At the Organisations drop down box, select **Perth and Kinross Council**

Note: As the groupings don't accurately reflect a local authority's services / teams, for this purpose, you may wish to choose Business and administration.

At the professional role drop down, select a **role** most relevant to you.

Enter your name, surname, e-mail address, click to confirm you are **not a robot** and then click on the create button.

3. You will now receive an e-mail notification asking you to follow a link to set your password so that your account can be activated. Once a password is supplied you will then be taken to the Turas dashboard. Please click on the sign in option as highlighted below.
