What specialist skills or experience can you offer?

What are your hobbies and interests?

I am an animal lover with experience of looking after horses, dogs, cats and birds/fish. I have a wee dog, so I am always out and about with her on road trips or long walks. I enjoy reading, listening to music (most kinds) and used to play clarinet and tenor saxophone in a jazz orchestra many moons ago.

I enjoy watching movies and documentaries, exploring old and abandoned places and National Trust properties. Spiritually-minded but not closed-minded, so would be more than happy supporting someone to attend church/spiritual groups of their choice.

I also write poetry, when the mood takes me, and have a professional history as a journalist and copywriter, so enjoy tinkering with short stories, too. Just for my own amusement, not for publication these days!
