

Creating a Wellbeing Referral

A Wellbeing referral should be used to make counselling and physiotherapy referrals.

How to make a new Wellbeing Referral - Once you have determined if the employee exists on OHIO you can create a new Wellbeing Referral.

To create a new referral select Wellbeing Referral from the Dashboard

Search for the employee by typing their surname and press Search

Before a referral can be made, the employee must have a manager assigned to them. These employees can be identified on this page, as they have no Select option in the Action column. To assign yourself as a manager click on View and this will direct you to the employees' personal details screen where you can update the referring manager.

Click the “Select” link in the “Action” column of the required employee OR click View to assign a manager.

You are presented with the details of the selected employee.

Press “Continue” if the displayed employee record is correct.

Fill out the online referral form: All field marked with a ****red asterisk**** are mandatory.
