Hello Audrey

The Applicant makes the following comments under Regulation 10(6):

- * the vast majority of respondents support the project, and encourage Councillors to grant planning permission; and

- * a few respondents have misunderstood that the War Memorial will NOT be moved. Therefore, their objections can be discounted.

As this completes the exchanges of written submissions, the Applicant asks that the matter be dealt with at the LRB meeting scheduled for 13 May.

Regards
Euan
