Dear Ms Simpson,

Ever since the large mobile trailer home and 2 even larger shipping containers arrived out of the blue at the Glebe field, I have been looking for another field in Perth and Kinross or east Scotland with the same eyesores.

I have so far been unsuccessful, probably because such an egregious example of development contrary to long established planning policies is, fortunately, very uncommon.

What a shame that, of all the fields in east Scotland, the Glebe field Kinfauns has had to be the subject of this treatment.

I wholeheartedly agree with the list of reasons that Perth and Kinross Council have given for refusing this application.

Your sincerely,
Neil Fleming
