Hello

Thank you for giving the Fossoway District CC an opportunity to add to our objection to planning application 23/01275/FLL (LRB-2024-37). We strongly believe that additional holiday accommodation is not required in this locality following the approval of 124 holiday accommodation units at Whinstone Quarry, Devonshaw Powmill (23/00491/FLM) which is in very close proximity to this application. In addition access to this location is via rural single track roads which are predominantly used by our farming community; without passing places access will be problematic especially in winter months when our rural roads are rarely treated.

Kind regards
