PERTH AND KINROSS COUNCIL CHARITABLE FUNDS

TRUSTEES' ANNUAL REPORT

For the Year ended 31 March 2024

Reference and administrative information

Introduction

Perth and Kinross Council ("the Council") acts as administrator for a large number of trusts and funds that have charitable status and are registered with the Office of the Scottish Charity Regulator (OSCR), as detailed in Note 13.

The Council administers these funds, but their assets are not available to the Council and have not been included in the Council's own balance sheet.

The ex officio Trustees of the Perth and Kinross Council Charitable Funds are the Convenor and Vice Convenors of the Finance and Resources Committee, the leader of the largest Opposition Group, and the Head of Finance/Chief Finance Officer. The Senior Manager for Archives, Local and Family History and employed by Culture Perth and Kinross, is an additional Trustee for the Fothergill Bequest only.

Charity trustees: Councillor S Donaldson

PERTH AND KINROSS COUNCIL CHARITABLE FUNDS

TRUSTEES' ANNUAL REPORT

For the Year ended 31 March 2024

Structure, governance and management

The trusts and funds that the Council administers are constituted in a variety of different ways. Full details of how each trust and fund was originally established are, where known, available from the Council.

These trusts and funds are managed by a Committee comprising the charity trustees listed on page 1, who served throughout the period covered by these financial statements. The Trustees meet and communicate electronically on a regular basis to discuss how the funds should be expended (by reviewing applications for funding) and to review the financial position of each charity.

These accounts are prepared under the connected charities provision which allows for registered charities which have a common or related purpose, or have a common controlling body or administration, to prepare a single set of accounts.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principles of the Charities Statement of Recommended Practice
- make judgments and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable funds and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of each charity's constitution. They are also responsible for safeguarding the assets of the charities and trusts and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Objectives and activities

The majority of the funds are held within the Welfare Trust (SC040516) for the purpose of the prevention or relief of poverty and the relief of those in need by reason of ill health, disability, financial hardship or other disadvantage. A full listing of the other funds administered by the Council on behalf of the charity trustees is shown in Note 13 and the purpose of each trust is provided on the Office of the Scottish Charity Regulator (OSCR) website.

PERTH AND KINROSS COUNCIL CHARITABLE FUNDS

TRUSTEES' ANNUAL REPORT

For the Year ended 31 March 2024

Risk management

The Management Committee has implemented systems and procedures to identify and mitigate the major risks that the charities and trusts face and to ensure a consistent quality of delivery for all operational aspects of the charitable funds.

Achievements and performance

The reorganisation of the Perth and Kinross Council Charitable Funds continued during 2023/24 and J&H Mitchell WS assist with the review of several small Trusts. During the year, the Trust Deeds for the Kinnoull Hill Endowment Fund and the St. Magdalene's Hill Endowment Fund were updated, and these funds are now included in the Balance Sheet as Restricted Income Funds.

Detailed below are the other activities undertaken by the Perth and Kinross Charitable Funds during Financial Year 2023/24.

- The following grants were paid from the Welfare Trust: -
 - £28,562 to support 122 residents/families who were in financial need with dependent children and/or disabilities. The value of financial assistance payments ranged from £39 to £500 with an average grant award of £234. In comparison, £60,130 was awarded to 193 residents/families in 2022/23, with an average grant award of £312.
 - £120 to three residents within the area for coal (£200 to five residents in 2022/23).

Financial review

There is no explicit reserves policy for Perth and Kinross Council Charitable Funds (the Charitable Funds), however as a general principle the "Capital" of the funds is held as a permanent endowment with only the annual income from investments available for disbursement in the year. The exception to this relates to the Kinnoull Hill Endowment Fund and the St. Magdalene's Hill Endowment Fund whereby the Trust Deeds for both Funds were updated during 2023/24 and both Funds are now included in the Balance Sheet as Restricted Income Funds.

The main funding source for the Charitable Funds is income from the investments managed by an investment manager. In addition, one trust receives income from the rental of shop premises in Perth and interest is received on the revenue balances held on deposit with the Perth and Kinross Council Loans Fund. The majority of funds, the exceptions being the Kinnoull Hill Endowment Fund and the St. Magdalene's Hill Endowment Fund, are presently treated as endowment funds due to custom and practice over a long period of time and to ensure the long term sustainability of the funds. The Perth and Kinross Welfare Trust does provide the Trustees with powers to access capital balances if required, however, the Trust continues to be managed as an endowment fund.

The contract for the management of the investment portfolio was renewed and awarded to Brooks Macdonald for a further three years with effect from 1 November 2023. The contract includes the option to extend the arrangement for a further twelve months from 1 November 2026.

The fund managed by the investment manager is invested for total return through a diversified portfolio of UK and overseas equities and bonds. The portfolio is managed as medium risk with a

PERTH AND KINROSS COUNCIL CHARITABLE FUNDS

TRUSTEES' ANNUAL REPORT

For the Year ended 31 March 2024

Financial review (continued)

focus on income to achieve the required return.

This approach is appropriate for seeking a return in excess of inflation over the long term and the Trustees are willing to take capital risk to achieve objectives. Portfolios are well diversified but may contain a high allocation to a single asset class, such as equities. The investment manager provides the Trustees with quarterly updates on the performance of the portfolio; and provides an annual report at a meeting of the Trustees following the financial year end.

In addition, the investment manager conducts an annual review to ensure that the investment mandate remains suitable and in line with the longer-term objectives of the Trustees. The investment manager completed a portfolio suitability assessment at the meeting of the Trustees on 17 January 2024 and there was no change to the investment objectives and risk profile.

The investment portfolio made a gain for the year of £139,923 (loss of £107,746 in 2022/23). The income generated from investments, including interest on balances, is £83,222 (£75,368 in 2022/23).

Strategic plans

The strategic plans to date have predominantly focussed upon the reorganisation of the trusts to make best use of the funds and further the charitable activities of Perth and Kinross Welfare Trust. As noted above, the reorganisation process, which includes the update of Trust deeds to ensure the effective use of the various funds, will continue during Financial Year 2024/25. J&H Mitchell WS is engaged to pursue this task on behalf of the Trustees, and Trust Deeds are in course of being updated for the Clow Bequest and the Den O' Alyth Fund.

The administration of grants continues to be managed by the Welfare Rights Team within the Council, and this has provided opportunity to award funding to individuals and families most in need of financial assistance. Ad hoc requests for funding from charitable bodies operating within the Council area will be considered by the Trustees, subject to the available funding.

The longer-term consequences arising from ongoing world-wide events are largely unknown and it is anticipated that financial markets will respond accordingly. However, it is anticipated that the income generated from the investment portfolio will remain largely in line with 2023/24 and the beneficiaries of the Fund during Financial Year 2024/25 will continue to be the clients of the Welfare Rights Team.

Scott Walker CPFA
Trustee

Signed by one on behalf of all charity trustees

Independent auditor's report to the trustees of Perth and Kinross Council Charitable Funds and the Accounts Commission

Reporting on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Perth and Kinross Council Charitable Funds for the year ended 31 March 2024 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charities as at 31 March 2024 and of their incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charities in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charities' ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

Responsibilities of the trustees for the financial statements

As explained more fully in the Statement of trustees' responsibilities, the trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees intend to discontinue the charities' operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities outlined above to detect material misstatements in respect of irregularities, including fraud. Procedures include:

- using my understanding of the local government sector and charity sector to identify that the Local Government (Scotland) Act 1973, the Charities and Trustee Investment (Scotland) Act 2005, and The Charities Accounts (Scotland) Regulations 2006 are significant in the context of the charities;
- inquiring of the Trustees as to other laws or regulations that may be expected to have a fundamental effect on the operations of the charities;
- inquiring of the Trustees concerning the charities' policies and procedures regarding compliance with the applicable legal and regulatory framework;
- discussions among my audit team on the susceptibility of the financial statements to material misstatement, including how fraud might occur; and
- considering whether the audit team collectively has the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the charities' controls, and the nature, timing and extent of the audit procedures performed.

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator,

the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Reporting on other requirements

Other information

The trustees are responsible for the other information in the statement of accounts. The other information comprises the Trustees' Annual Report.

My responsibility is to read all the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on the Trustees' Annual Report to the extent explicitly stated in the following opinion prescribed by the Accounts Commission.

Opinions prescribed by the Accounts Commission on the Trustees' Annual Report

In my opinion, based on the work undertaken in the course of the audit, the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 108 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Maggie Bruce CA
Senior Audit Manager
Audit Scotland

PERTH AND KINROSS COUNCIL CHARITABLE FUNDS

Notes forming part of the financial statements for the year ended 31 March 2024

1 Basis of preparation

These financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with the Charities Accounts (Scotland) Regulations 2006 (as amended) and the principles of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), commonly referred to as the Charities SORP.

In line with Regulation 7 of the 2006 Regulations, these financial statements have been prepared on the basis that the Trust funds for which the Trustees act are connected charities. As such, the accounts of the individual charities have been prepared on a collective basis. These financial statements contain all the relevant information that the individual charity accounts would have contained if they had been prepared on an individual basis.

2 Principal accounting policies

(a) Incoming resources

Investment income is accounted for in the period in which the receipt due to the charitable trusts is probable and the amount can be measured reliably.

(b) Resources expended

Expenditure and liabilities are recognised as soon as there is a legal or constructive obligation committing the charitable funds to pay out resources.

Costs of raising funds comprise those costs directly attributable to managing the investment portfolio and raising the investment income.

(c) Investments

Investments are included at market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

(d) Investment Property

Investment property is measured initially at cost and subsequently at fair value, being the price that would be received to sell such an asset in an orderly transaction between market participants at the measurement date. Investment properties are not depreciated and are instead revalued annually according to market conditions at year-end.

(e) Cash at bank and in hand

Cash at bank and in hand is held to meet short-term cash commitments as they fall due rather than for investment purposes. Perth and Kinross Council manages the funds on behalf of the trusts; the deposits are therefore held within the Council's Loans Fund and the trusts do not hold separate bank accounts.

9 Related Parties

Perth and Kinross Council manage funds on behalf of the charities and trusts. The charitable and other trusts do not have separate bank accounts and the revenue balance is held within the Council's Loans Fund. The balance held at 31 March is noted within the Balance Sheet as 'Cash at bank and in hand' as the funds are held to meet short term cash commitments as they fall due.

The balance held on deposit with Perth and Kinross Council was £174,361 at 31 March 2024 (2022/23 £131,095).

There is a Finance & Administration recharge in respect of the time incurred by Council staff supporting the charitable trusts of £1,696 (£2,363 in 2022/23).
