## **PERTH & KINROSS COUNCIL**

### **REVENUE BUDGET 2024/25**

#### **FOREWORD BY THE CHIEF FINANCE OFFICER**

#### **INTRODUCTION**

The Council's Revenue Budget delivers a wide range of services. This includes activities such as education; social care; environment; planning; maintaining the local road network; as well as the borrowing costs to fund the Council's capital expenditure.

The Council's total revenue expenditure, excluding expenditure relating to Council Housing is charged to the General Fund. The net expenditure on the General Fund after allowing for government grants, contributions to and from revenue Reserves and direct charges for services is met by the Council Tax payer. The net expenditure on Council Housing is mainly recovered by way of rents from Council House tenants. For the purposes of this volume, separate explanations of the Council's General Fund and Housing Revenue Account budgets are provided.

#### **GENERAL FUND REVENUE BUDGET 2024/25**

#### **BACKGROUND**

Perth & Kinross Council met on 28 February 2024 to set the Final Revenue Budget and Council Tax for 2024/25. In preparing Revenue Budget submissions, Services were required to identify expenditure pressures and savings proposals.

The Revenue Budget submissions were subject to scrutiny by the Executive Officer Team and were then reviewed by Elected Members. On 19 December 2023 the Scottish Government issued the Local Government Finance Settlement for 2024/25 (Circular 8/2023) which detailed grant funding from the Scottish Government for each Council. This was augmented on 29 February 2024 by the Local Government Finance (Scotland) Order 2024 (Circular 2/2024). The Finance Settlement covers 2024/25 only and no information is available from the Scottish Government for 2025/26 and beyond.

The Final Revenue Budget for 2024/25 is £467.741 million (£450.525 million in 2023/24). The 2024/25 budget is funded by Total Revenue Funding from the Scottish Government of £344.805 million (see page 6); Capital Grants of £1.6 million; Council Tax Second Home/Long Term Empty Properties surcharge of £3.338 million and single person discount of £300,000; and a net contribution from Reserves of £13.819 million.

A budgeted figure of £103.879 million is therefore levied from Council Tax. This results in a 2024/25 Band D equivalent Council Tax charge of £1,403.69. This is an increase of 0% from the figure in 2023/24 exclusive of Water and Wastewater charges which are determined separately by Scottish Water. The Council Tax calculation is set out on page 7.

Key features of the Council's 2024/25 Revenue Budget are set out in more detail below.

## **2024/25 BUDGETED EXPENDITURE**

The budgeted revenue expenditure in 2024/25 for each of the Council's Services is summarised on page 10 and detailed in pages 11 to 34. In addition, comments on specific aspects of the Council's revenue expenditure are provided below.

### **Staff Costs**

The 2024/25 Final Revenue Budget includes a budgeted provision of 3.0% for pay award for non-teaching and teaching staff.

### **Capital Financing Costs**

These are the costs of financing assets owned by the Council and includes Loan Repayments; Interest Charges; and Debt Management Expenses. In 2024/25, a budget of £23.338 million is required to meet these costs.

Income from Interest on Revenue Balances generated through the Council's treasury management activities is estimated at £5.411 million in 2024/25.

## **2024/25 BUDGETED INCOME**

The General Fund Revenue Budget is principally financed through government grants, Council Tax income and charges for Council Services, of which government grant support is the predominant source of income to the Council. The main elements of the Council's budgeted revenue income in 2024/25 are detailed below.

### **Total Revenue Funding**

Total Revenue Funding is the term used to describe the level of local authority revenue resources which is determined by the Scottish Government. It encompasses General Revenue Grant (GRG), Ring-Fenced Grants and Non-Domestic Rate Income (NDRI).

The distribution of Total Revenue Funding is largely based upon the Grant Aided Expenditure (GAE) assessment of each Council's expenditure requirements. The GAE assessment is undertaken by the Scottish Government in consultation with the Convention of Scottish Local Authorities (COSLA) using what is referred to as the 'Client Group Approach' – a mechanism designed to distribute grant based upon indicators of relative need, such as population, school rolls, road length, etc.

The Total Revenue Funding available for distribution between Scottish Local Authorities in 2024/25 is approximately £13.9 billion, excluding amounts held back for specific programmes. Perth & Kinross Council's Total Revenue Funding for 2024/25 is £344.805 million.

The component elements of the Council's Total Revenue Funding are as follows:

	<u>£m</u>
General Revenue Grant	275.847
Non-Domestic Rate Income	65.152
Ring-Fenced Grants	3.806
Total Revenue Funding	<u><b>344.805</b></u>

### **General Revenue Grant**

General Revenue Grant (GRG) represents the largest component of each Scottish Local Authority's income. Perth & Kinross Council's GRG allocation in 2024/25 is £275.847 million. General Revenue Grant is itself funded from national taxation.

### **Non-Domestic Rate Income**

Perth & Kinross Council has a statutory duty to levy and collect Non-Domestic Rates within its area. The Non-Domestic Rate charge for any given property is dependent upon the Rate Poundage determined each year by the Scottish Government and the valuation placed upon the property by the Tayside Valuation Joint Board. The Business Rate for 2024/25 has been set by the Scottish Government at 49.8p per £ of Rateable Value.

Under a national scheme, smaller businesses are eligible to apply for rates relief through the Small Business Bonus Scheme which is available to rate payers who occupy, or if empty, who are entitled to occupy non-domestic property within Scotland with a combined Rateable Value of £35,000 or less. The scheme is part funded by a supplement on the rate poundage payable on all non-domestic property within the intermediate and higher property rates. During financial year 2024/25, for properties with a rateable value between £51,001 and £100,000 this supplement is 1.3p per £; for properties with a rateable value of over £100,000 this supplement is 2.6p per £.

For financial year 2024/25 there are three separate Transitional Relief schemes in operation to provide support for those facing an increase in their rates charges. The first limits any increases due to the 2023 revaluation of all non-domestic subjects, the second supports those losing any entitlement to Small Business Bonus or Rural Relief and the third limits the charges on new entries for previously exempt commercial activities located in parks.

Non-Domestic Rate Income (NDRI) is 'pooled' nationally and redistributed between local authorities based upon the mid-year estimates of Non-Domestic Rate income. This process does not, however, affect the Council's Total Revenue Funding (see above) as the Scottish Government guarantees the overall local government finance settlement. Any difference between the Scottish Government estimate of rate income in 2024/25 and actual rate income collected is adjusted for in the Council's General Revenue Funding. The Scottish Government has estimated Non-Domestic Rate Income for Perth & Kinross Council at £65.152 million in 2024/25.

### **Council Tax Charge**

The net expenditure to be met from the Council Tax for 2024/25 is £103.879 million. Based upon historical collection patterns within Perth & Kinross, a non-collection rate of 1.75% has been assumed. The effective number of Band D equivalent dwellings (tax

base) in 2024/25 is therefore 74,004. Dividing the amount to be met from Council Tax by the tax base results in a 2024/25 Band D Council Tax of £1,403.69 which represents a 0% increase from the previous year. (See calculation of Council Tax on page 7).

## **COUNCIL HOUSING**

### **Housing Revenue Account Budget (HRA) 2024/25**

The Council is required by statute to record separately, in the Housing Revenue Account (HRA), income and expenditure relating to the provision, improvement and management of Council Housing.

The 30 year HRA Business Plan is updated each year to reflect the budgets, rent strategies and current economic climate. This is approved by the Housing and Communities Committee to ensure the Standard Delivery Plan is affordable and sustainable. The Housing Revenue Account (HRA) budget for 2024/25 (see page 37) has been prepared in accordance with the Housing Act and Scottish Government directives and was approved by the Housing and Social Wellbeing Committee on 24 January 2024.

As at 31 March 2024, the Council owns and lets approximately 8,053 houses. On 24 January 2024, the Housing and Social Wellbeing Committee approved a 6% rent increase for 2024/25 which resulted in the average weekly rent, based on 52 weeks, being £79.74.

The revenue balance on the Housing Revenue Account to be carried forward into 2024/25 is £2.260 million.

The Housing Revenue Account (HRA) budget is set in accordance with the requirements of the Council's 30 year approved HRA Business Plan, revised and amended as appropriate.

# GLOSSARY OF TERMS

Throughout this document you will repeatedly encounter terminology with which you may not be familiar or the content of which is not immediately obvious. The following are the most commonly used terms and should be interpreted as follows:

**Budget:** a statement of the Council's spending plans for a specified period of time, normally one financial year (1 April to 31 March).

**Staff Costs:** includes Wages, Salaries, Bonus, Overtime, Employer's National Insurance and Pension Contributions, as well as Staff Training.

**Slippage:** savings on staff costs arising from delays in the filling of posts or the non-filling of posts as and when they become vacant. Staff costs budgets within Services assume a level of slippage.

**Property Costs:** includes Rent, Rates, Repairs and Maintenance, Heating and Lighting costs.

**Supplies and Services:** includes Printing and Stationery, Advertising and Postages, the cost of purchasing Materials, Spare Parts, Food and Protective Clothing, as well as payments to other organisations for the provision of services.

**Transport Costs:** includes the cost of providing and maintaining all Vehicles and Plant including Fuel, Tyres, Repairs, Road Fund Tax and Insurance, as well as Staff Travelling Expenses.

**Transfer Payments:** payments to individuals for which no goods or services are directly received in return by the local authority, such as Housing & Council Tax benefit payments administered by the authority on behalf of central government.

**Third Party Payments:** payments made to an external provider in return for the provision of a service on behalf of the Council, such as Residential Care of the Elderly.

**Support Services:** charges for activities and items which support the direct provision of services to the public, such as charges covering the operating costs of Office Buildings and for the provision of Information Systems and Technology services.

**Capital Financing/Capital Charges:** the cost of financing assets owned or controlled by the Council including Loan Repayments, Interest Charges, Finance Leasing Charges and Debt Management Expenses.

**Capital Financed from Current Revenue (CFCR):** the cost of capital expenditure financed at the Council's discretion from within the Revenue Budget.

This page shows the summary budget for Health & Social Care.

Perth and Kinross Integrated Joint Board (IJB) assumed responsibility for adult social care and a range of health services from 1 April 2016.

The Partnership shares the Council's vision for Social Care Services for Adults in that its aim is that Perth & Kinross should be a vibrant, successful place where people can enjoy a safe, secure and healthy environment, and where they're nurtured and supported as individuals and communities.

The Partnership's objectives are:

- To help people wherever possible to live independently and healthily in their own homes, using a wide range of community support.
- To help communities to grow and individuals to develop so that people can live safely in strong, healthy communities.
- To spend money wisely and provide the best service possible, in a way that involves everyone who either benefits or contributes.

We work with people who require support for older people, older people with dementia, adults with mental health problems, with learning difficulties, with disabilities and adults who misuse drugs. Adult Social Work and Social Care Services work with people who are, socially excluded, or disadvantaged in other ways and who are directly affected by social inequalities by helping and encouraging them to develop their own potential, take responsibility for their own welfare, and to be independent.

Our work ranges from assessing people's needs, to providing appropriate support to individuals, carers and families whilst ensuring the necessary safeguards through statutory interventions for people who may be a risk to themselves or others.

The Housing Revenue Account (HRA) is required by law to be held separately from the General Fund, but has been included in this volume for completeness. It records the revenue transactions to achieve the Council's aim of providing good quality housing at affordable rents for the Council's tenants.

The HRA records revenue transactions on the building, maintenance and management of Council housing and has been prepared in accordance with the Housing Acts and in line with Scottish Government directives. The Account requires to be self financing with the full balance of net expenditure met solely from the resources of Council house tenants, principally rents. The budget is therefore shown on an estimated outturn basis.

The Council has already built 541 affordable homes since 2011, with additional new build of approximately 80 affordable homes per annum budgeted for in future years, along with investment to increase the Council house stock through buying back more housing from the open market. All revenue costs associated with the current new build and buy back programme have been fully reflected in the budget.

The main objectives of the Council's role as landlord are:-

- a) to make sure tenants live in a secure environment in quality and cost effective housing.
- b) to work with tenants to provide a comprehensive local service responsive to their needs.
- c) to maintain and improve housing stock via a responsive repairs service, complementing a prioritised investment programme

Perth & Kinross Council administers the Common Good Funds of the former 10 burghs within its boundaries. These receive no financial support from the General Fund.

The largest fund is Perth Common Good Fund with budgeted revenue income of £315,900, generated principally from rent of land and buildings. The fund has budgeted to expend £359,500 the majority of which relates to grant funding for organisations and individuals, and funding for the Perth Christmas Events programme.

In general terms Common Good Funds are specifically aimed at helping the Communities of their respective areas. This help is governed however by the income generated by each fund and as a result there is little or no activity on certain funds.

**Note:**

No budgets are approved for Common Good Funds in Aberfeldy, Abernethy, Alyth, Blairgowrie, Coupar Angus, Kinross and Pitlochry due to the low volume of transactions on these funds.

At the time of preparation, no budget has been approved for the Crieff Common Good Fund.

# **PERTH AND KINROSS COUNCIL**

## **CAPITAL BUDGET 2024/30**

### **FOREWORD BY CHIEF FINANCE OFFICER**

#### **Introduction**

The Council's Capital Budget funds expenditure on the purchase, improvement and enhancement of assets which provide benefit to the community over many years – such as schools, roads and housing. In line with Scottish Government regulations, the Council's Capital Budget is managed as two separate programmes:

- 1) The Composite Capital Programme, which deals with the funding of Capital Expenditure on General Fund Services.
- 2) The Housing Investment Programme on the Housing Revenue Account (HRA).

For the purpose of this volume, separate explanations of these two areas of expenditure are provided. The Council's Capital plans are regulated by reference to the Prudential Code, under the Local Government (Scotland) Act 2003.

#### **Sources of Capital Funding**

The Composite Capital Programme is funded via:

- Borrowing – The Prudential Code allows the Council flexibility in deciding the size of its Capital Budget and how this Budget will be financed. The basic principle of the Code is that local authorities are free to invest in capital projects as long as their capital spending plans are affordable, prudent and sustainable. The Code sets out the Prudential Indicators that the Council must use, and the factors that it must take into account, to demonstrate that it has fulfilled this objective. Using these indicators, the Council will determine how much it can afford to borrow and therefore, allocate to capital expenditure.
- Capital Grants from the Scottish Government, distributed as a block allocation for the Council to spend in accordance with its priorities, and smaller 'ring-fenced' grants for specific policy areas.
- Capital Receipts from the sale of surplus Council assets and other miscellaneous capital receipts.
- Tay Cities Deal Funding from the UK and Scottish Governments under a 10-year agreement to support investment in employment, training, connectivity and to reduce inequalities across the Tayside and North Fife region. The projects in the Perth & Kinross Council area which have been approved are included in the Capital Plan.
- Third Party Contributions from, for example, community groups, the National Lottery Boards and developers.

- Revenue Budget Contributions from individual Council Services. Such expenditure is referred to as Capital Financed from Current Revenue (CFCR).

### **Composite Capital Programme**

The Council's Composite 6-year Delivery Programme for 2024/25 to 2029/30 was approved on 28 February 2024. It is detailed in the following pages, which sets out the Council's estimated capital resources for each of the six years, as well as the allocation of these resources to individual capital expenditure budgets. Revisions to this programme will be considered by the Finance & Resources Committee throughout the year.

### **Summary of Capital Resources 2024-2030**

The estimated Capital Resources for each year for the six years of the Composite Capital Programme are summarised in the table on page 38 of this volume.

### **Composite Capital Programme**

The detailed project expenditure, shown by Strategic Lead, is shown on pages 40 to 49 of this volume. The Service budgets also detail the Revised Budget and Projected Outturn for 2023/24, as well as the Approved Budget approved for each year from 2024/25 to 2029/30.

### **Composite Capital Programme Priorities**

Gross Capital Expenditure included in the attached Capital Budget for the six years 2024/25 to 2029/30 totals £560M. This includes budgeted expenditure of around:

- £134M on School Improvements & Upgrades,
- £130M on Roads & Infrastructure projects,
- £39M on Economic and Community Development projects,
- £51M on Flood Prevention Schemes, and
- £99M on Community Greenspace & Recreational & Leisure Facilities.

### **Housing Investment Programme 2024-2029**

#### **Sources of Capital Funding**

In line with the principles set out in the introduction, the funding arrangements in respect of the Housing Investment Programme are governed by the application of the Prudential Code. This approach is underpinned by a 30-year HRA Business Plan which determines the level of investment required in the Council's housing stock, and the requirement for borrowing, which is determined to be affordable, prudent and sustainable. The cost of borrowing is met entirely from within the resources of the Housing Revenue Account (HRA). Gross Capital Expenditure included in the attached Housing Investment Programme for the five years 2024/25 to 2028/29 totals £97M.

The Council may also fund capital expenditure directly from the Housing Revenue Account in the form of Capital Financed from Current Revenue (CFCR), the use of balances or through operating leases of assets.

**PERTH AND KINROSS COUNCIL**  
**COMPOSITE CAPITAL BUDGET 2023/24 TO 2029/30**
