

Introducing our **Child Protection Community of Practice**

Perth and Kinross Child Protection Committee (CPC) Community of Practice (CoP) is a multi-agency peer network which meets in person to explore key child protection themes, share knowledge and learn together.

Any practitioner working in Perth and Kinross who has a professional interest in child welfare and protection can freely access the Child Protection Community of Practice.

Access upcoming practitioner events, practice resources and participate by accessing our Child Protection CoP Padlet. Simply scan or click the code below.
